Chef Micheal; **Bourbon Cooking Clinic**; On Friday evening, May 15, 2015, we plan to have a bourbon based cooking clinic hosted by the Convention as a free clinic for all registered guests. The clinic will be presented by the renowned hotel chef, Micheal, and will teach our guests about the ambiance of bourbon based fine food with an emphasis on deserts and cocktails. The clinic will be presented from 6:30 to 9:00pm in the Lafayette Room (across from the pool) at the Convention hotel, The Campbell House.

#### Saturday Morning Activities 8:00AM – 11:45AM

Brenda Stewart; **Documentation and Preservation of Quilts; 9:15-10:30AM** Saturday morning; I emphasize the importance of documenting and preserving the memory of the quilt maker. Many times a quilt maker becomes unknown when a quilt is passed down from one generation to another. I usually bring several examples of quilts that have special stories, and explain ways to keep the memories alive. 1 hour length.
